

## Winter 2023

Welcome to our first newsletter. The aims of the newsletter are to provide information and support to chemistry teachers in Scotland.

Fraser Scot - University of Strathclyde - Chair  
Frank Murray - Treasurer  
Elizabeth Steven - Edinburgh University - Secretary  
Shona Donnelly - Marr College  
Morag Easson - Firrhill High School  
Derek Steven - New College Lanarkshire  
Dawn Gillies - RSC  
Nicola Jordan - RSC  
Colin McGill - Edinburgh Napier University  
Katy Alder - James Gillespie's High School  
Vicky Thomson - Kilsyth Academy  
Laura Alexandra Smith - RSC  
Yalini Poya - University of the West of Scotland  
Ian Stewart - Education Scotland

The RSC Education Community Scotland have won the Inspirational Committee award for supporting and representing teachers to policymakers, influencing how chemistry is taught in Scotland with notable impact on the curriculum. More details at <https://www.rsc.org/prizes/funding/prizes/winner/education-scotland-committee-undefined>

The RSC Education Community Scotland website can be found [here](#). This will be kept up to date with our activities.

For the past two years, the Education Community Scotland group has presented online CLPL on a variety of topics as well as some face to face CLPL for chemistry teachers. In the school year, we are again hosting a series of online CLPL sessions.
