Over **550**  
institutions across  
**53** countries and  
regions with a  
total of **16** book collections

Over **298,941**  
Altmetric mentions  
across over **38,050**  
outlets (journal articles,  
books and book chapters)

Over **20,300**  
gold open  
access  
articles

entirely funded  
by Royal Society  
of Chemistry

Our flagship journal,  
**Chemical Science**, is  
a gold open access journal which  
means it's open and free for  
both authors and readers.  
We pay the rest so  
that every one can put  
their research first.
