The Impact Report

Where do we fund?

What do funded projects deliver?

The Country Trust, an environment-related charity, was awarded funding to develop workshops that linked directly to the English primary curriculum topic "rocks and soils".

Circus 250, an arts-based organisation who use science themes in their work, were awarded funding for the chemistry elements of a wider circus show designed to connect science with everyday life.

sustainable innovation, were awarded funding for activities with school groups and the public to be held in the run-up to and at COP26 (2021).

How does the Outreach Fund make a difference?

raising aspirations

professional development

Can the Outreach Fund
do better?
